ABOUT US

Nishant Aromas Private Limited is a family owned company founded by Harlalka brothers in the year 1992 with a passion to produce best quality FRAGRANCE MATERIALS.

As the designers and creators of fragrances, we focus our research and development activities on every type of product, which includes PERSONAL CARE, AIR CARE & FABRIC CARE.

In collaboration with our expert researchers, evaluators and market analysts, we meticulously design and match fragrances by selecting ingredients from the palette with thousands of items to meet the clients' needs in terms of concept and direction.

Throughout the years, we have been member of some prestigious associations such as:

1. Member of Executive committee of BIS and represented India on ISO Panel.
2. Research council for CIMAP for the period of 2007-2010.
3. Governing council of FFDC (Fragrance & Flavours development centre, Kannauj).
4. NABARD (National Bank for Agriculture and Rural Development).
5. Research council for centre of Aromatic plants, Selaqui, Uttranchal Government.
6. Member of sub-group on floriculture, Medicinal & Aromatic plants for eleventh five year plan of Ministry of Agriculture.
7. Crude Drug & Herbal Products Committee (CDHPC) of the Scientific Committee of the Indian Pharmacopeia Commission.

R&D DEPARTMENT

Research and development division of Nishant Aromas Private Limited is empowered with a state-of-the-art laboratory, manned with highly technical advanced research team. With the single minded focus on the deep regiment of fragrance products, we have achieved good level in building a huge product profile.

With own plantations, we are able to control entire production process from its cultivation to its distillation. To provide a practical product range we do sourcing of materials and maintaining an inventory of ingredients sourced from all around the world.

Being a company founded and run by technocrats, we have given major emphasis on R&D to not only create new and innovative products but to also optimize the process for energy efficiency and to create a clear landmark for others in the industry.

VALUES OF NISHANT AROMAS

Nishant Aromas Private Limited announces its 3C policy as the driving force of betterment, which includes:

Achieving Overall Customer Satisfaction

Routine Continuous Improvement

Applying a Closed-Loop Feedback Medium

HONOURING COMMITMENT:
We give our best to make things happen in the shortest time possible.

SERVICIBILITY:
Our sales team work collaboratively and a sound follow-up strategy is followed to complete any order in timely manner. We believe in the expression “time is money” and very much applies to the art of serving our buyers.

CONSISTENCY & RELIABILITY:
Our clients rely on us because of the good product quality and we provide batch to batch COA's. The same level of service is delivered each time they interact with us and we achieve this by offering excellent value added services and superior logistics solution.

VISION

- Our Vision is to position our organization as the “numero uno” company in the realm of Aromatic ingredients and Essential oils to our customers spread all over the world.
- Use of cost effective yet the most polished technologies and extensive automation to produce premium products is our ambition
- Encouraging fair business practices, we strive to establish ourselves as a company to reckon with.

MISSION

- We strive to create a superior customer experience through innovation in product and process development, outstanding service levels and integrity.
- Nishant Aromas Private Limited will comply with all statutory requirements, follow environment friendly and energy efficient process and help in building a sustainable environment.
- We shall continue to be a front-runner in the industry and keep on thriving and innovating for the international market, thereby portraying India's potential as a market leader in F&F Industry.
- Our mission shall always be to accomplish buyer's needs first!
